SUTD ID: **1007834**

Date of Birth: **26 July 2002**

Date of Admission: **11 September 2023**

Programme:	Bachelor of Engineering	Status:	Active in Program
Plan:	Computer Science and Design		

Subject Code	Subject Title	Level	Credits	Grade
--------------	---------------	-------	---------	-------

YEAR 2023, SEP - DEC TERM

01.010	Freshmore Communication Programme	U	-	S
01.018	Design Thinking Project I	U	-	P
02.003	Social Science: Understanding Behaviour, Culture & Society	U	12	P
10.013	Modelling and Analysis	U	12	P
10.014	Computational Thinking For Design	U	12	P
10.015	Physical World	U	12	P

Term Grade Point Average: **Not Applicable**

Cumulative Grade Point Average: **Not Applicable**

YEAR 2024, JAN - APR TERM

01.019	Design Thinking Project II	U	-	P
03.007	Design Thinking and Innovation	U	12	P
10.016	Science for a Sustainable World	U	12	P
10.017	Technological World	U	12	P
10.018	Modeling Space and Systems	U	12	A-

Term Grade Point Average: **4.50**

Cumulative Grade Point Average: **4.50**

YEAR 2024, MAY - AUG TERM

CREDITS TRANSFERRED FROM YONSEI UNIVERSITY
50.XXX ISTD Mapping Elective

U	12	-
---	----	---

Term Grade Point Average: **Not Applicable**

Cumulative Grade Point Average: **4.50**

YEAR 2024, SEP - DEC TERM

01.020	Design Thinking Project III	U	-	P
02.001	Global Humanities: Literature, Philosophy, and Ethics	U	12	A-
10.020	Data Driven World	U	12	A
10.022	Modelling Uncertainty	U	12	A-
10.024	Spatial Design World	U	12	A

Term Grade Point Average: **4.75**

Cumulative Grade Point Average: **4.70**

SINGAPORE UNIVERSITY OF TECHNOLOGY & DESIGN

Office of Student Administration

8 Somapah Road, Singapore 487372; Telephone: +65 6303 6600; Fax: +65 6779 5161; URL: www.sutd.edu.sg; Email: registrar@sutd.edu.sg

The Singapore University of Technology and Design Act 2011 enacted by the Parliament of the Republic of Singapore in Year 2011, recognizes and confirms SUTD's authority to confer and award degrees, diplomas and certificates, including honorary degrees and other distinctions.

SUTD academic calendar is divided into three academic terms of 14 teaching weeks per term.

All undergraduate students, except for students under special programmes, will take two academic terms per academic year. Currently the special programmes for undergraduate students are the SUTD-SMU Double Degree Programme or the SUTD Technology Entrepreneurship Programme.

All undergraduate students are admitted in the May-August Term and will take a total of 8 academic terms to complete their programme. Students under special programmes will require additional terms to complete their programmes.

Postgraduate students are admitted either in the January-April or September-December Term. They generally take three terms per academic year.

The medium of instruction at SUTD is English.

GRADING SYSTEM (for 2017 intake onwards)

SUTD uses a 5-point grading system for both Undergraduate (level U) and Graduate (level G) degree programmes. The following grade notations and status codes are used.

Grade	Grade Point	Remarks	Grade	Status Codes	Remarks
A+	5.30	Exceptional performance	AU	Audit	AU is used for a subject the student is registered as a listener. Student will be awarded AU if he/she meets the class expectations or requirements for a successful audit. Not used in the computation of GPA.
A	5.00	Excellent performance	EXE	Exempted	Used for similar academic subject completed in other universities or SUTD. Credits given accordingly and count towards graduation requirements.
A-	4.50	Excellent performance in most aspects	IC	Incomplete	IC is assigned when a student's work is incomplete for good reasons (e.g., illness during the official examination period). The student is required to attend remedial class/retake the subject.
B+	4.00	Very good performance	IP	In Progress	IP is assigned for a subject or thesis that extends beyond more than one trimester. The evaluation of a student's performance is deferred until the completion of the subject. When the final grade is submitted, the final grade appears in the term in which the subject was completed. Not used in the computation of GPA.
B	3.50	Very good performance in most aspects	P	Pass	For subjects graded on Pass/Fail basis. Not used in the computation of GPA.
B-	3.00	Good performance	S	Satisfactory	S is assigned for work (e.g. thesis) which has progressed satisfactorily. Not used in the computation of GPA.
C+	2.50	Fairly good performance	U	Unsatisfactory	U is assigned for work (e.g. thesis) which has progressed unsatisfactorily. Not used in the computation of GPA.
C	2.00	Satisfactory performance	W	Withdrawn	Approved withdrawal from the subject/term. Not used in the computation of GPA.
D+	1.50	Improvement needed			
D	1.00	Minimally acceptable performance with much improvement needed			
F	0.00	Fail			

CLASSIFICATION OF HONOURS

• FOR UNDERGRADUATE PROGRAMME

The corresponding Cumulative Grade Point Average (CGPA) range eligible for the different classes of honours are as follows:

Cumulative Grade Point Average (CGPA) Range	Class of Honours
4.50 and above	Honours with Highest Distinction
4.00 to 4.49	Honours with Distinction
3.50 to 3.99	Honours with Merit
3.00 to 3.49	Honours
2.00 to 2.99	Pass

Students who have been active and showed leadership in 5th Row may be upgraded to the next class of honours if he/she marginally misses the cut-off. They do not equate to the various classes of degree honours conferred by universities that follow the British system of academic honours.
